A Bible · Scripture · Word & Verse study

For the Father's children

The living Word made a study desk — every verse in its own tongue, every word to its root, and the words of Yeshua the Christ kept at the center as the measure of truth. Dedicated unto the Father's children — the true children of the Most High God, who abide in the Vine — that they might know Him, Yahweh Tsidkenu (YHWH, our Righteousness), in Spirit and in Truth.

The Word, studied as it was spoken

Not one more reader, but a place to weigh the Word itself.

YahBible is made for the Father's children — the true children of the Most High God who abide in the Vine. It is the working incarnation of the design set forth in *The Metatronic Holographic Matrix of Zion'iel* and *The Zion'iel Rite of Reflection* — the same devotion to Truth, brought down into an everyday study desk that any of the Father's children, and any soul who seeks Him, can open.

Its purpose is single: to let a soul study the Scripture as it was *spoken* — in the Hebrew, the Greek, and the Aramaic — to compare translation against translation rather than trust one rendering, to trace any word to its root and its Strong's entry, and above all to weigh every claim against the words of Yeshua the Christ.

It runs on the reader's own machine, private and offline, asking no account to read. It is free, and it renews itself over the network — growing, like the Vine, on its own.

Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.

2 TIMOTHY 2:15

The whole counsel of Scripture

Sources at the left, the Word in the center, the study at the right.

The Torah, the Old and New Testaments, the Ethiopian Apocrypha, the Red Letter Words, and the Gnostic scriptures stand together in one menu — the whole counsel, in one place. Over 120 versions can be stacked side by side, verse for verse.

Every element is holographic and quiet by design, so nothing stands between the reader and the text. The center reveals; the margins serve.

The reading desk, fully loaded — sources, reader, and study panel.

Every word in Hebrew, Greek & Aramaic

The scholarly layer, built in — and no price on it.

Click any word and its original opens: the Hebrew, Greek, and Aramaic forms, the transliteration, the letter-by-letter meaning, the gematria, its Strong's number, its dictionary definition, and the interlinear original set beneath the verse.

What normally costs a study suite is here for free, and it works for *any* word — the transliteration and gematria engines are self-contained, so no word is left unstudied.

The words of Yeshua the Christ

Set apart in scarlet — the measure of all the rest.

The words Christ Himself spoke, drawn from the Gospels and Revelation and shown in the King James Version, are set apart in scarlet. One click opens any of them in their full chapter context.

They are more than a colour. They are the plumb-line: in YahBible every other claim — a translation, a teaching, in time a video — is meant to be weighed against them.

Heaven and earth shall pass away, but my words shall not pass away.

Matthew 6

Red Letter Words · Matthew 6

1 Take heed that ye do not your alms before men, to be seen of them: otherwise ye have no reward of your Father which is in heaven.

2 Therefore when thou doest thine alms, do not sound a trumpet before thee, as the hypocrites do in the synagogues and in the streets, that they may have glory of men. Verily I say unto you, They have their reward.

3 But when thou doest alms, let not thy left hand know what thy right hand doeth:

4 That thine alms may be in secret: and thy Father which seeth in secret himself shall reward thee openly.

5 And when thou prayest, thou shalt not be as the hypocrites are: for they love to pray standing in the synagogues and in the corners of the streets, that they may be seen of men. Verily I say unto you, They have their reward.

6 But thou, when thou prayest, enter into thy closet, and when thou hast shut thy door, pray to thy Father which is in secret; and thy Father which seeth in secret shall reward thee openly.

7 But when ye pray, use not vain repetitions, as the heathen do: for they think that they shall be heard for their much speaking.

8 Be not ye therefore like unto them: for your Father knoweth what things ye have need of, before ye ask him.

9 After this manner therefore pray ye: Our Father which art in heaven, Hallowed be thy name.

The revelation of the Name

The Name behind every “LORD” in the text.

Wherever the English reads “LORD,” the Name stands beneath it: YHWH — Yahweh Tsidkenu, the LORD our Righteousness — the Word, the Truth, the Breath. YahBible studies it in depth, restoring the Name to the reader’s sight.

This is the heart of the whole work: that the reader would not merely read *about* God, but come to know His Name, and in it the Logos who was in the beginning.

In the beginning was the Word, and the Word was with God, and the Word was God.

The main content area features the Hebrew word 'יהוה' (YHWH) prominently, with a subtitle 'The Name · The Word · The Logos · The Truth — Yahweh Tsidkenu's revelation of the Word'. Below this, there are two columns of text: 'The Name is Breath' and 'The Illusion of "Jehovah"'. The 'The Name is Breath' section explains the ineffable nature of the Name and its pronunciation. The 'The Illusion of "Jehovah"' section discusses the historical and linguistic context of the word. A 'VERSE STUDY' panel on the right provides additional context and resources.

יהוה

The Name · The Word · The Logos · The Truth — Yahweh Tsidkenu's revelation of the Word

The Name is Breath

יהוה (YHWH) is the ineffable, unpronounceable Name. It is the sound of **breathing**: breathed aloud — without the tongue or lips perverting the breath — it sounds like *YHWH*; with the mouth closed it sounds like the **ocean**.

This is the holy Word, the holy Name, and “The Truth” that Christ spoke of. Anytime Christ, the New Testament, or the Old Testament speak of **the Word, the Logos, the Knowledge, or the Truth**, they mean יהוה specifically.

“I have declared thy name, and will declare it... I have kept them in thy word.” — the Gospel of John, chapter 17 (thy word = thy Logos, thy Knowledge, thy Name)

The vowel points placed under the letters are a **modern pronunciation guide** laid upon the unpronounceable Name — not its true sound.

The Illusion of “Jehovah”

Yah / Jah means **father**. **Hovah** (הוה) means **destruction, chaos** — a real Hebrew word. So “Yah-Hovah” is heard by a Hebrew as a **curse upon the father** — father-destruction, father-chaos.

To curse a thing is not to bless it; it cannot be the name of the one true God. Remove the **Yod** and הוה is literally **hovah** — destruction. The Yod in front means the Name is **not a spoken word**: the Yod is silent. Without the Yod — without God — there is only destruction.

The belief that “Jehovah” or “Yahovah” is God’s proper name is **worldly illogic**, not the heavenly logic of God.

Everywhere the English says “**Lord**,” “**the Lord**,” or “**LORD**,” the Hebrew is usually יהוה (or Adonai יהוה) — never Jehovah.

Study side by side

Split the desk; load a different source in each pane.

The desk divides into independent panes — stacked, side by side, two-over-one, or in quarters — and each pane is a full, living copy of the app. Load a different source in each and read them all at once.

Here Genesis (the Old Testament), the Red Letter Words of Christ in Matthew 5, and Revelation are open together — the whole arc of Scripture cross-referenced in a single glance.

Three sources open at once — Genesis, the Red Letter Words, and Revelation.

It will not fabricate

The design refuses every barrier to truth.

In the spirit of the Zion'iel Network — *to dissolve every barrier that hinders the pursuit of truth* — YahBible is built to cite, never to invent. Its coming study companion, Ask Tav'iel, answers only from the Scripture and the words of Christ, with verbatim citations that open to book, chapter, and verse.

It begins in prayer, holds that God is Spirit and not a man, and yields to the words of Yeshua as the measure of every answer. A coming Holy Review will weigh any video's claims against those same words. These stand in the app today, marked *in development*, so the reader sees where the work is going.

Sanctify them through thy truth: thy word is truth.
